**Notes from the July 28 Meeting:**

**Plans are coming together** for our fall field trial, **Sept. 12-14**. Wayne Skochenski again will be FT chair. Roz Wilson will chair the Open, Chris Brandl the Amateur, Robbie Knutson the Qualifying and Mike Verdon the Derby. Please call these folks if you can help out at any of the stakes! We are trying to minimize expenses of hired workers. The trial will be finalized soon on Entry Express; we are just waiting a couple of possible judge changes.

**Hunt Test Report**

**Our Aug. 8-10 Hunt Test** looks to have excellent entry numbers and should be financially beneficial for BRG. Anyone who can help should contact Travis Lund, event chair, or Linda Twiss, event secretary. I am sure they will find you a spot, even for a half-day or so!

**BRG Report:**

**New well on north grounds:** The new well is drilled, with plenty of water! Keith Hass will be ditching for electric power from the power box to the well and water lines from the well to the ponds, in the coming few days. We sure could use some help, especially laying the PVC water pipes from the well to the ponds. Will alert you as to date.

**Haying and baling are done** on both grounds. We hope to finish mowing/trimming around the ponds as soon as water levels make it possible, perhaps in the next few days. Again, some help sure would be welcome. Please contact me about when.
