Membership Options – *(All memberships are individual)*

Active participating individual member *(volunteer help)* **\$30 per Year**
 Active membership benefits include access to Benton Retriever Grounds for retriever training, a regularly published newsletter and inclusion on the HCARC mailing list so you can stay current on club news and events.

Active volunteer members are expected to volunteer at least **two days** to help at events or upkeep of the grounds. While there are many ways to volunteer, helping at our events has the biggest impact. If you cannot help at an event, there are lots of other opportunities to help with grounds maintenance. Mowing, road maintenance, pond maintenance, weed whipping, gopher control, and poison ivy patrol are just a few of the ongoing non-event activities that need regular attention.

If you select this membership option, please plan to volunteer to help at one of the events listed below.

Volunteers are the lifeblood of our club. To be fair to those that freely give their time, you may be asked to compensate the club for help that needed to be hired to make up for your missed volunteer hours as part of your 2021 membership.

Active non-participating individual member *(we hire help)*..... **\$230 per Year**
 This membership option also includes access to Benton Retriever Grounds for retriever training, a regularly published newsletter and inclusion on the HCARC mailing list so you can stay current on club news and events. The extra membership dollars are put toward hiring help at events.

Social individual member **\$30 per year**
 This membership option is for people that want to show their support to HCARC, but do not have a need for access to the training grounds. You will receive our newsletter and be included on the HCARC mailing list so you can stay current on club news and events.
