June 4 Meeting Notes:

Field Trial Report: The May trial went well, with just a few hired workers needed. Thanks to all the members who pitched in! The new(er) portable satellites were a big improvement.

Mark Paschke will be moving this fall, so we need to replace him on the board. We also need someone to take over looking after the guns, shells and radios. Please volunteer if you could do this. Not a lot of work, just providing a place to store them between events.

2019 Judges: The selection committee—Wayne Anderson, Mark Belford, Chris Brandl, Roz Wilson and Liz Jerome—needs to meet soon to begin securing judges for next year. Sometime during the June break would be ideal.

BRG Update:

The annual meeting was held May 29, and results of that meeting were sent to all HCARC members this week.

We have set Saturday, June 23, as a BRG work day. Two main projects: Replacing the fence along the road on the north grounds, and mowing both grounds. (Bill Fabian has sold his cattle and is no longer interested in haying). We decided to do the mowing ourselves this year to see how it goes. We now have a batwing mower which covers a lot of ground, in addition to our Kunz mower for doing the mounds and around the ponds.

So please come out June 23, bring your tools and gloves, and help with these projects! I will send out a reminder the week before.
