## BRG Web Site:

**We have selected** a web site developer, Mr. Doug Warren, Up North Outdoors, Howard Lake MN. Doug has been developing web sites for 20 years, mostly all outdoors oriented. Up North Outdoors.com is a site covering all types of hunting, fishing and other outdoors activities. We are working now with Doug, providing information and graphics pertinent to BRG.

## June 1 Meeting Recap:

Small attendance resulted in a short meeting. Treasurer Roz Wilson reported that HCARC netted almost \$4,500 at our May licensed trial, which is great.

Everyone from both HCARC and MFTA is being encouraged to help put on the BRG Hunt Test, Aug. 7-9. This event last year netted enough profit to provide for all of BRG's operating costs for the year. This allows both clubs to contribute significantly for future development projects to improve our grounds.
